Hi Rakesh,

Thank you for your email. I am excited to help contribute to your MSc project. I am available on Friday morning (4th Aug) for the interview if that suited you?

I consent to call recording/transcribing of the meeting. I will prepare my answers to your interview questions ahead of the meeting.

I look forward to it.

Kind regards,
Roisin

Subject: Invitation to participate in M.Sc. thesis interview as a subject matter expert

Dear Roisin,

Hope you are well.

I am pursuing my masters (M.Sc. – Data Analytics) in CCT College , Dublin. The award is subject to, me completing a thesis work on a topic exploring data analytics.
I have chosen a topic titled *"Predicting the screening colonoscopy numbers across Ireland using machine learning."* In-depth interview is my chosen primary research method for the thesis.

I am very excited about the prospect of interviewing you as a subject matter expert for my chosen topic/its dependencies which is aimed to predict the colonoscopy numbers by applying suitable machine learning algorithms in view of the age range extension.

You are cordially invited to participate in my thesis as a subject matter expert.

The thesis title, objectives, sampling and other information are detailed in the attached information leaflet .The questions that will be used in the interview are also attached.

The interview is slated to run for approximately 30-40 mins, via the Teams.
Please let me know if you have any availability on August 4th/8th for this meeting?

Also, it is mandatory for me to upload a call recording/ transcribe of this meeting for grading. This will be removed from my repository once the grading is completed and once I get the award.
Request you to please provide your consent for the same.

Please let me know if you have any questions.
Looking forward to hearing back from you.

Thanks and Regards,

Rakesh Kumar Muraleedharan
